Harmony House CARES is proud to introduce two summer week-long camp to provide generalization of age-appropriate social skills that focuses on the concept of social thinking.

Week 1 in July will cover:

- ❖ Increase social thinking and self management in the community
- ❖ Socially appropriate/inappropriate behaviours
- ❖ Reciprocal social interaction
- ❖ Increase cooperative play
- ❖ Increase organizational skills
- ❖ Teach accountability

Week 2 in August will cover:

- ❖ Increase social thinking and self management in the community
- ❖ Socially appropriate/inappropriate behaviours
- ❖ Generalization in advanced conversational skills
- ❖ How to enter and exit play
- ❖ Increase organizational skills
- ❖ “Back to school” prep

Summary of your child’s experience will also be provided by our facilitators reflecting each child’s camp week.

Families can register for either weeks, or both – however, attendance for the full week is important in learning, generalizing, and maintaining skills.

Community activities will be located both in the Fraser Valley and in the Lower Mainland
In house skills will take place at our McBride location

****\$50 one-time new member assessment fee is also required to determine goodness of fit for the group**

About the Facilitators:

Gabrielle Stigant and Joanne Ma are current Program Supervisors for Harmony House. Both have extensive training and are highly experienced in the research and development of social skills building, under the guidance and supervision of Bohdanna Popowycz Kvam and Michele Shilvock. Collectively, they have developed and conducted social skills projects in the community over the past six years.
